GENERAL BOARD OF EDUCATION.

Your board had before it a communication containing recomendations upon which it offers the following

RESOLUTIONS.

1. That the 4th Sunday in June, or as near thereto as practicable, be observed in all our churches as Educational Day, and that all our preachers be requested to preach on christian education, and to take a collection for same.

2. That the assessment by the General Board of \$229.50 and \$300.00, for

2. That the assessment by the General Board of \$229.50 and \$300.00, for Paine and Lane Institutes, and we recommend an assessment of \$650.00 for Hendrix college, making a total of \$1179.50, which we apportion as follows: To Hot Springs \$100.00 and to each of the others \$180.00.

3. That we request the bishop to appoint J. M. Hawley Secretary of Ed-

ucation.

4. That we approve the proposed plans to endow the Theological Department of Vanderbilt University.

HENDRIX COLLEGE.

It gives us great pleasure to report to you that this great institution of learning which has long been so keenly embarrassed with a debt which seemed to threaten its very existence, is now practically free from debt. Our gent Rev. F. S. H. Johnston, hopes to relieve it of the entire debt by Jan.

1st 1899. This ought to be, and is, a matter for great rejoicing and of devout

thanks to God, not only of one, but of all the conferences in this state. We learn through President Millar that the outlook is more hopeful now than ever; that the attendance is better than the previous year; that the deportment is excellent; that a fine religious influence exists, several having been converted. Surely this is gratifying.

Academies are being established throughout the state as feeders of the

college which is a matter of no little importance.

We recommend that A. O. Evans be re-elected as trustee, to fill vacancy caused by the expiration of his term. That we ratify the appointment of F. S. H. Johnston, as financial agent of the college for the ensuing year.

We fully realize the benefit that would accrue from a liberal endowment to Hendrix College, yet, in view of the present financial distress of Galloway College, we think it best that no financial agent be appointed to travel and canvass to secure an endowment for Hendrix College at this time.

GALLOWAY COLLEGE.

The reports show a large enrollment last year and an increased attendance the present term. The faculty is able and competent, and the manage-

ment worthy of our full and hearty endorsement.

It seems that Galloway has reached a financial crisis; something must be done for this school, and done at once to relieve the situation. The debt is \$30,000.00, so, while there is a handsome income from the school, yet it is not sufficient to meet the demands; therefore we heartily concur in the recommendation of the Arkansas Conference in the appointment, by the Board of Trustees, of a financial agent. We recommend the appointment of Rev. C. C. Godden as President. That, as there was uncertainty as to the term of office of the Board of Trustees, we recommend that J. R. Cason and W. C. Ratcliff be appointed for two years; H. H. Watson and H. A. Butler for four years; R. R. Moore and J. M. McCain for six years from present time.

Since the above was prepared a great calamity has befallen our educational interests, and we learn with sore affliction that the main building belonging to Galloway College has been destroyed by fire. We cannot do without Galloway College and we hope the Board of Trustees will without delay

consider the feasibility of rebuilding.

R. R. Moore, Secretary.

J. H. RIGGIN, Chairman.

RESOLUTIONS.

RESOLVED, 1. That we assure the citizens of Searcy, of our deep sympathy in the calamity which has come to them in the loss of our beloved Galloway College. We assure them of our determination as a Board to stand by them in an effort to rebuild and carry forward this most worthy institution to a larger success.

We have heard with pleasure the remarks of one of her citizens, the Hon. J. T. Hicks and ask that he be heard before the conference now in session; also ask that Hon. Geo. Thornburgh be heard in behalf of the citizens J. R. CASON, of Searcy. R. R. MOORE.

LITTLE ROCK CONFERENCE TRAINING SCHOOL.

We heartily endorse the able management of Prof. J. D. Clary as principal of our Conference Training School located at Fordyce and recommend it to our people for the preparatory training of their sons and daughters. In the judgement of your committee this school is one of the best training schools in the whole south.

We recommend the election of W. A. Elliott as Trustee of the Training

School to fill the vacancy caused by the death of J. D. Dunn.

ARKADELPHIA METHODIST COLLEGE.

We rejoice in the increased prosperity of Arkadelphia Methodist College and in the excellent work done there, and look hopefully forward to the time when this excellent plant shall again become the property of this Conference freed from debt. We recommend the appointment of Cadesman Pope as President and Geo. C. Jones as Professor in the school.

R. R. Moore, Secretary.

J. H. RIGGIN, President.

MISSIONS.

We rejoice with the whole Church, in the liquidation of the entire Missionary debt, as well as in the growing interest in the great question of evangelizing the world.

These are times for profound thought and great activity on the part of the whole Church. The result of the late unfortunate war enlarges our op-

portunities, and brings new demands.

Our Missionary mass meeting was held in Arkadelphia in March and was

an inspiring meeting.
We feel that the body of our Church should be congratulated for the steady advance in collections. This year in spite of an early Conference and late harvest, the contributions in our Conference are in advance of any previous year.

The following is report from the W, F. M. S.

Before reporting the W. F. M. S. of your Conference, I beg to present a Memorial from the Society, assembled in Annual Convention last June at Prescott. Realizing that interest is increased by concert of service they desire one day when all the churches shall present their work and all the congregation unite in prayer for the extension of God's Kingdom. Asking your favorable consideration, I read item 2 from their Report on Extension of

2. That the W. F. M. Society of the Little Rock Conference, in annual session of our conference society, memorialize the annual session at Little Rock in 1898, and request that they set apart the first Sunday in November for a special sermon on "Woman's Work for Woman," the date to be published in the Arkansas Methodist; and that on the evening of the same day an open session be held under the auspices of the auxiliary, the pro-

gram to be arranged by the same.

Now, dear Brethren, I ask a moments attention to our very effective service in the field. Though our Minutes of Board and annual meetings contain these statistics, they are yet new to very many. Even some of our Societies do not consider the responsibility attaching to their auxiliaries, representing as they do, our obligation to those whom we have sent in our stead. From the faithful Lockie Rankin who with confident courage went twenty years ago to the dark regions beyond, we now have in regular work—50 Missionaries, 132 assistants in Schools, 12 Boarding Schools, 59 Day Schools, 3 Hospitals, 1 Bible College, 37 Bible Women and 77 Scholarships. The maintenance of this large evangelizing force, depends upon the faithful service of our Church, the loyalty of our own Women. A large part of God's work loosens, when the Woman's Missionary Societies languish Constant recognition of our indebtedness to Christ, we must keep alive our responsibility to those who know him not. Our work abroad keeps pace with that at home, and must be enlarged by growth in our own hearts, and activity in our own lives. This I rejoice to say is largely the condition of many and

while some bear these opportunties highly. We gratefully acknowled your co-operation dear Brethern in bringing the Little Rock Conference Society to its honorable standing among her Sister Conference Society But we must do better things if we would stand approved. You have always given commendation, may I ask that you feel for our Societies a perseresponsibility, even with other interests of your Pastorship. Requipossible, this work of God, given to us. SUNDAY SCHOOLS.

We rejoice at the continued interest and growth of the Sunday School work throughout the whole church, and especially within the bounds of our conference. From the report of the General Secretary, we learn that there has been a good increase in the sale of our literature and we can testify that there has been marked improvement in the character of the periodicals.

there has been marked improvement in the character of the periodicals.

While we have much to be thankful for, yet we believe there yet needs to be heroic work done, in increasing yet more the number of pupils in our schools. We believe that the work being done could and would bear more fruit if our pastors would follow the following suggestions.

1. Let there be great care given to the selections of Superintendants and teachers as to their spiritual as well as inttellectual qualification.

2. That every school be well supplied with our literature.

3. That every school be organized into a missionary society, and that it

have a program on missions, quarterly on circuits and monthly in stations, and take a collection.

4. That childrens day be observed by all schools on the day appointed,

by the Church or as near as possible.

5. That no Church have Union schools or use Union literature where it it can be avoided.

The Sunday School Board will do all within its power to help each school

to carry out these suggestions.

1. If any school is to poor to buy all the literature needed we will help it. 2. We will furnish free of charge programs for all Sunday Schools agree ing to hold childrens day services, provided they agree to send the collection at one to the Treasurer of the Board.

We have collected \$184.85 and have paid to the Board of education \$18.00 and have paid to the Parent Board \$18.00.

We are thankful for all advancement made and we turn over the work to the new Board praying that they may be able to formulate plans whereby many of the young may be led to Christ. Respectfully, R. W. McKAY, Secretary.

EPWORTH LEAGUE BOARD.

We are sorry to report this year a considerable decrease in the number both of Epworth Leagues and League members. Nevertheless, we are sure that the goodly number of Leagues yet remaining are more active, more efficient, and more permanent. We confidently expect a steady increase in this department of our church. We are glad of the increasing circulation of It has multiplied the number of its readers, improved its own apthe Era. pearance, doubled its size, and is going upon its mission in newness of life. When we are told that this live paper can be had in clubs of 10 under one cover for 60 cents, or in seperate wrappers for 75 cents, we see little excuse for our preachers and young people to be without it. We ask our pastors to take it and read it, and to help their young people to get and read it.

With joyful hope, we look upon the increasing missionary zeal in our Leagues. We take this as an indication of the right spirit. Perhaps it is

natural and expedient that this young life has enterprised special mission-ary work, and we urge that all the pledges to this special work be conscien-tiously and promptly redeemed, but we recommend that our Leagues act carefully and stand loyally by the general board of missions, looking to it

for direction and pouring their offerings into its treasury.

Our General Secretary speaks encouragingly of the future for the Literary department. Four of the very best books have been put in the course and some required reading into the Era. As an encouragement to the systematic and thorough study of the literary course, certificates and diplomas are offered. This course is so cheap that any can get it, and so good that everybody ought to have it.

In order that our young people may get this course cheaper and enjoy it

more we recommend the organization of reading circles.

we recommend the organization of reading circles.

We recommend that all our pastors in cities, towns, villages, and country, have Leagues. If it is impossible to organize and operate a complete League, undertake earnestly the part you can run, social, literary, or devotional. Perhaps you can gradually learn to work all departments.

We recognize Christian young people as the chief necessity for a League

Geniune religion among our young people and devoted effort on the part of the pastor will remove many of the so called difficulties.

We recommend the organization of Junior Leagues in Churches where

there is no Juvenile Missionary Society, that the little children may be trained up for effective League work. A. O. Evans, Chairman. W. P. WHALEY, Secretary.

ORPHANS HOME

We, your Committee appointed to inquire into the advisability of adopting preliminary measures looking to the raising of a permanent fund for the better care and support of orphans submit the following report.

The needs of orphans appeal strongly to the heart of every true man and woman. An organized effort for the better care of the little ones would in

our opinion, meet with cheerful and liberal support.

The Methodist of the State with a membership of over 70,000, should have a better and more permanent system for the care of homeless children We recommend the appointment of a committee of three from this Conference to act with a like committee from the Arkansas and White Conference to create a Board of Trustees, for the purpose of inviting and receiving, gifts, bequested the support of orphans. This Board when properly incorporated shall have full power in taking such preliminary steps as may be necessary in the fulfilment of our purpose to give the best possible care and support to those who may need our help.

TEMPERANCE

Last year we adopted resolutions to the effect that each District Conference should hold a Temperance mass meeting, and that each pastor should "arrange for the most thorough agitation of the question within his pastoral charge." Similar resolutions have been adopted from year to year, and almost as soon forgotten or neglected by many of us. Shall we continue to re-

solve and never act?

The attention of your committee has been called to the work of the American Anti-Saloon League, with head quarters at Washington, D. C., having for its object the suppression of the liquor traffic in the United States. Said National League has very cordially invited our Conference to send two delegates to its Annual Convention, convening Dec. 6, at Cleveland, Ohio. While we think it would be impracticable for this Conference to comply with said request at present, we heartily endorse such a systematic national un-

dertaking, and hereby promise co-operation as far as possible.

We deeply regret that the tendency is manifested to throw the strong and protecting arm of the law around the so called "Wine Industry", which is doing as much, yea more, to debauch rural communities than the open sa-

loon

WHEREAS, the cause of Temperance has not completely triumphed in all our borders, but is in many places neglected and is thereby bringing reproach

upon the followers and representatives of our blessed Lord, and

WHEREAS, there is much needed legislation and rigid enforcement of law to enable the satisfactory arrest and conviction of those who persist in the illicit sale of alcoholic drinks, even in communities supposed to be protected, and

WHEREAS, our own children are depending upon us for proper surround-

ings to be reared in the "nurture and admonition of the Lord", and

Whereas, we regard the Liquor and Wine traffic as a dangerous and deadly foe that has invaded our land for the purpose of schooling our boys in vice and turning them out as drunkards, undermining the foundations of our government, clogging the wheels of our blessed Zion, filling graves prematurely with multiplied thousands and contributing immortal souls to the dark domain of pandemonium; Therefore be it

Resolved-1. That our Church repeat with emphasis its hostility eternal to the Whiskey and Wine traffic and pray God that the destructive influence of the nefarious work may be made clear to the seller.

2. That the Ministers and members of our Church be urged into action with all their influence, to suppress, by all proper means, the use and sale of

3. That our Hon. Legislators be requested to enact such laws as will effectively put an end to the sale of intoxicants in all our State and especially give us a law that will make its sale in prohibition districts a felony.

4. That we express our unqualified condemnation of the Army Canteen where intoxicant liquors are sold for beverage purposes, and we most earnestly call upon the proper authorities to suppress this prolific source of sickness, crime, and mismanagement in the army; and that we respectfully call upon our Honorable Senators and Representatives in Congress to use their, best endeavors to so change the law granting U.S. Permits to sell intoxicating liquors in the army or elsewhere, that it shall be unlawful to grant such permits, in any State or local option district where intoxicants are prohibited by State laws. · ·

THE AMERICAN BIBLE SOCIETY

The American Bible Society comes to us with a report of increased opportunity for usefulness, and therefore asking for a more liberal support. The Holy Scriptures are being circulated now as never before in the history of the world. The expenditures of the Society have been far in excess of the receipts. The call for larger contributions, and a more earnest presentation of this work by the pastors to their people. We regret to find a falling off in the collections for this cause this year. Only about one third of the charges of the Conference have made reports. Your committee respectfully recommends that this cause be presented early in the year.

CHURCH EXTENSION.

Your Board has had before it seven applications for aid, asking an aggregate sum of \$1056.00. The Board having only \$662.15 made the following grants: Hunter's Chapel, \$60.00; Brownstown, \$60.00; Sage's Chapel, \$45.00; Delight, \$40.00; New Edenburg, \$100.00; Sulphur Springs, \$35.00; Lonoke, \$300.00, making a total of \$640.00, leaving a balance on hand of \$22.15.

While we regret our inability to meet in full every demand made on us, we are pleased to note an increase over last year's collections, not quite so great, however, as last year was over the year preceding it. Still we are making progress. This will be all the more gratifying when we take into consideration that this advancement was made in the face of the financial straits into which our country is thrown by the exceedingly low price of cotton and other farm products. The collections on assessments of the past Respectfully Submitted, year amounted to \$1183.48.

REPORT OF NEW BOARD.

We have apportioned to the districts for the ensuing year the following amounts: Little Rock district \$375.00; Pine Bluff district, \$348.00; Monticello district, \$348.00; Camden district, \$375.00; Prescott district, \$375.00; Arkadelphia district, \$348.00; Hot Springs, \$251.00, aggregating \$2400.00. Five dollars each were allowed the Secretary and Treasurer for incidental expenses and ten dollars were set aside to be used for distribution of Church Extension literature, leaving a balance on hand of \$2.13.

Respectfully submitted, T. D. Scott, President.

PUBLISHING INTERESTS.

Southern Methodism cannot fail to recognize in the continued success of our Publishing House the gracious hand of God. In the variety of its publications, which touch every branch of Christian activity in our beloved church, the past year bears ample testimony of increased editorial efficiency, circulation and mechanical tastefulness.

Ministerial loyalty in discharging our bounden duty to the Publishing House would materially enhance its profits. The knowledge that these profits are devoted to brightening the lives and homes of our dependent ones should be abundant inspiration to extend the sales of the House.

The Arkansas Methodist still retains its high position in our regard A higher Conference coloring and interest would result if our brethren realized the importance of contributing local happenings. We ask the re-appointment of Dr. J. E. Godbey as Editor. Also recommend the selection of A. Hunter, J. R. Moore and J. H. Riggin as Editorial Committee.

DISTRICT CONFERENCE JOURNALS.

We have examined the Journals of our seven districts, and find them all faithfully and neatly kept. We offer no criticism except upon one small defect in the Little Rock District Journal. A clipping from a paper is posted in the Journal. This mars the page and is not so permanent as the work of a pen.

MEMOIR.

William C. Adams, was born in Lowndes Co. Mississippi, April 10, 1835. In 1856 he was married to C. N. Jones, the faithful wife who still survives, and in the same year removed to Arkansas. He was licensed to preach in 1859 and admitted on trial in the Little Rock Conference in November of that year and appointed to Rockport circuit. E. N. Watson, W. J. Davis and J. R. Harvey were admitted in the same class, all of whom survive. In 1860 he was appointed to Lacy circuit. In 1861 he was read out as junior preacher on Clark ct., a nominal appointment as the minutes state in marginal note, he was in the army. In 1862 he was discontiuned. In 1865 at the first Conference after the war was over he was again admitted on trial and appointed again to Rockport circuit. In 1866 he was ordained deacon and appointed to Clark ct. In 1867 to the same work, in 1868 to Arkadelphia colored charge. In 1869 he was granted a location. He was ordained elder as a local preacher in 1886. Subsequently he resigned his credentials and lived out of the Church for several years, but in 1885 he was for the third time admitted on trial in the Little Rock Conference and appointed to Lehi ct.
